

God speaks to us clearly in His Word, the Bible, about who He is, what He has done and why we need to believe in His Son, Jesus Christ, in order to be saved. He wants a relationship with us... He also speaks clearly to us about how we should relate to others.

In our friendships, marriages and families, we are in need of God to guide us and for His Holy Spirit to be at work in us, transforming us into the image of Christ, to be daily seeking to follow Jesus' example, and knowing who we are in him.

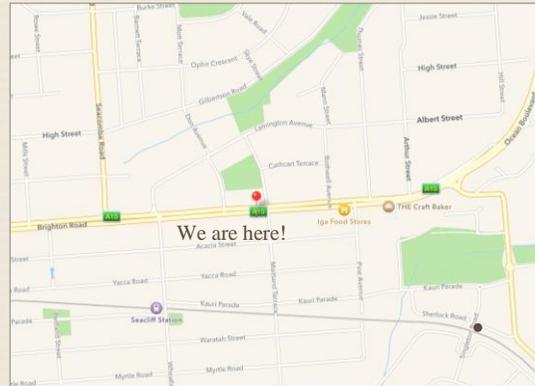

Paul's letter to the church at Ephesus is a call to trust in the grace of God that saves us. It is a challenge to walk in love, wisdom, light, and in unity with other believers, believing in God alone as we face a spiritual battle all around us.

Over this weekend, in five plenary sessions, four workshops, as well as testimonies, panel discussions and prayer together, we make it our aim to be challenged and changed by the Word of God, and the power of the Cross, so we can truly know how to walk in love together, just as Christ loved us...we hope you can join us!
