We warmly invite you to join us for a weekend of studying Paul's letter to the Philippians & seeing how it impacts our lives, even today!

**“Insights from God’s Word, with rich, practical Gospel help for our daily lives.”**

The apostle Paul knew that God cared for him & when he wrote to the church at Philippi, he wanted them to be sure of that & reminded them that nothing else mattered in life but to know Jesus personally as Saviour & Lord.

He wanted everyone to know the name of Jesus Christ, because that is the name above all other names.

There is no other way to hope other than through Him.

When life is hard.

When all hope seems gone.

When you've lost your way.

In the midst of hurt.

Christ can be your hope.

Can you say " All I have is Christ" ?

We pray that you can!
