

## SWBC COVID-19 Response

Dear Reader,

In response to government health advice and restrictions imposed on public meetings, the church board has decided to curtail regular Sunday services for the foreseeable future. We do this with a heavy heart but out of concern for the health of our regulars and visitors and to follow the directions of our civic authorities.

Consequently, the last service was held on Sunday morning 22<sup>nd</sup> March 2020.

We will be presenting ongoing **information** and access to **service streaming** options via our website and Facebook page.

Please keep in touch and do contact us if we can be of any assistance:
